CM-810M

Digitalization

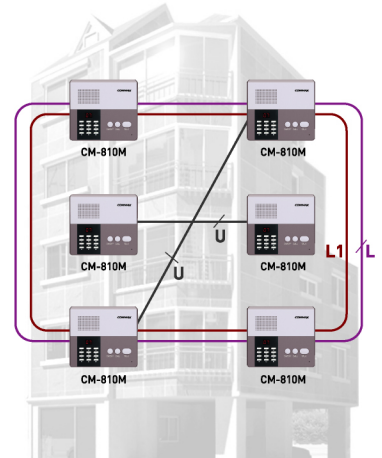

Master : Master

- Power source : DC 12V 250mA
- Wiring : 3 wires +n
- Dimension : 114 X 216 X33(mm)

Calling ID display on FND display Adjustable sound level / Expendable up to 10 pcs / Applicable to office, hospital, restaurant etc. / Adjustable sound level depending on its environments / Enabling long communication through PTT

- Substitution unit : CM-206M / 211M

CM-800S / 810

CM-810

Master : Slave

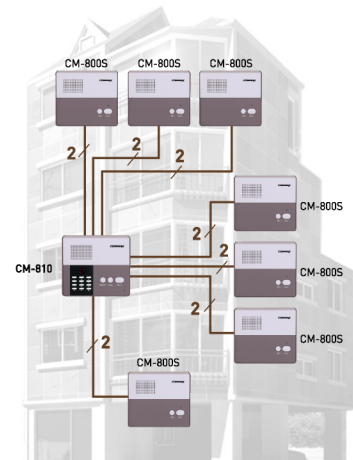

CM-800S

- Power source : DC 12V 200mA
- Wiring : 2 wires
- Dimension : 114 X 220 X66(mm)

Calling ID display on FND display Adjustable sound level / Expendable up to 10 pcs / Applicable to office, hospital, restaurant etc. / Adjustable sound level depending on its environments / Enabling long communication through PTT

- Substitution unit : CM-200 / 204 / 206 / 211

CM-800/801

CM-801

Master : Slave

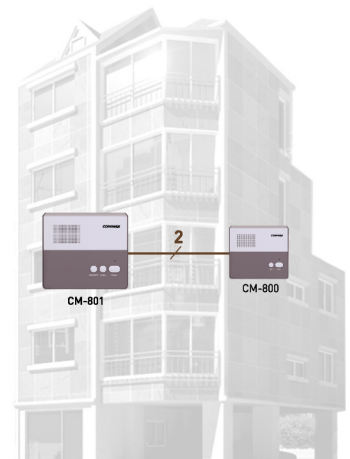

CM-800

- Power source : DC 12V 200mA
- Wiring : 2 wires
- Dimension : 114 X 216 X 33(mm)

Enabling long communication through PTT function / Calling to household / Indicating in-use status

- Substitution unit : CM-200 / 201
